Excerpts from letters we have received at GGB:

From a Pastor in Ghana: The word of God has the power to change the hearts of people in this world as it is written in (Isaiah 55:11) Sir, we aim to reach all those people who are sitting in the valley of death and we want to give them good news of Jesus Christ, so they may come to eternal life by accepting Him in their lives as their personal Savior. So, we are begging your reputable ministry and supply us with quantities of bulks of Bibles to meet the demands of the convert so that souls will repent from their sins.

From a Pastor in Tanzania: I do counseling to parents and educate community and churches and follow up children born with Hydrocephalus and spinal bifida. what I see is missing of children is reading materials and games to make them busy at the hospital and for parents reading materials also Pastors on encouraging books and while in hospital and at home after discharged. Kindly if you know people who can donate or if your organization can donate.

From a Pastor in Zambia: We have been looking for means of getting 100 full bibles for these pastors serving in the rural parts of Zambia's Northern circuit. Awaiting your response.

Sorting material in Zambia.

It's a great day when the boxes arrive to their destinations!

Some thoughts for all of us:

2Thessalonians 2:3 "Don't let anyone deceive you"

Col. 3:13-14 "Bear with one another … forgive each other … clothe yourselves with love …" Please pray for us as our small team of volunteers transitions from ICLD to Global Gospel Books. This name change became official as of July 29, 2024, at our Annual Meeting. Many details to take care of, as we all can imagine – at the bank, post office, utility companies, government filings, etc., etc. We remain in awe of God's provision along the way – even the smallest details.

If you have skills to contribute to God's Kingdom work and would like to talk about making some kind of commitment to GGB's service to God's world, please get in touch with us – administrative/logistics, digital/tech/media, Christian literature, PR, handyman/trusteeship. icldbooks@gmail.com

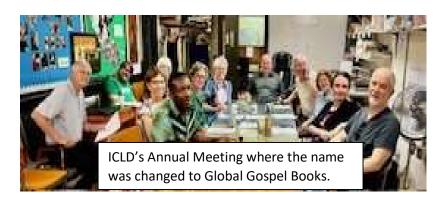

SHIPPING: GGB exists to send quality Bible literature to developing countries free-of-charge. Countless pastors and Bible teachers and youth workers have received our materials thanks to the donors who have supported GGB (ICLD) over the last 63 years. The ministry sent out just about 30,000 lbs. overseas in the last fiscal year. Thanks from the volunteer family to all who make this possible.
